Dear John,

We wanted summer, we've certainly got it! Be sure to get outdoors and enjoy the summer weather while its here!

Now is a great time to check out our websites, www.warrenyecarecenter.com and www.bettervisioncorrection.com are both sites that we have created and maintain.

Dr. Warren has been busy with his blog also, you can [access it directly here](#).

Tour de Cure

Tour de Cure 2009

The Milwaukee Tour de Cure is later this year, hopefully allowing for better weather and riding conditions. Dr. Warren will be riding again this year. He's actually flying home from a national optometric meeting a day early for the event.

As is always the case, he will be matching any sponsorship by patients dollar for dollar. Please support this worthy cause and help us work towards a cure for Diabetes. And make it hurt for Dr. Warren! You can sponsor him online [via this link](#), or stop by the office to make a donation.

Allergies All Around Us

This spring and summer have been the worst in many years when it comes to allergies. The pollen counts have been incredibly high as have the mold and fungus levels. We've seen many more patients suffering from red, itchy, watery and uncomfortable eyes. If that description sounds like you, come in and let us ease your suffering!

New Bifocal Contact Lens
